Romano
Loft Sofa & Sectional

The LOFT collection was designed with small spaces in mind. Compact scale yet extremely comfortable, it offers two feather backs that can be placed to suit different seating styles, as well as a memory foam bench seat that is cushy, yet thin. The custom 8 inch legs offer a clean, modern look in a hand burnished, blackened raw steel finish that brings out the unique natural beauty of each piece.

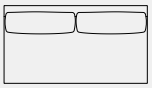

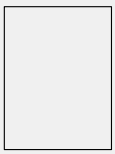

The loft sofa's outstanding design has been recognized for a prestigeous Pinnacle Award by the International Society of Furniture Designers and won the Grands Prix du Design in Quebec as the best design in residential furniture in 2018.
